comes together

Roadside Assistance

We keep you on the move

Unscheduled equipment downtime, especially in transit, can have a huge impact on the effectiveness and efficiency of your business. Roadside Assistance from GE's FleetCare offers a comprehensive 24/7 roadside solution guaranteed to get your equipment back on the road quickly, and in the best possible condition.

GE imagination at work

What our Roadside Assistance can offer you

- European contact centres with multilingual capability
- 24/7 roadside assistance, 365 days a year
- A high performance transport service network using a computerised mapping and resource allocation system
- Location of the nearest qualified repair agents to handle your breakdown problems
- Tailored roadside assistance for your own fleet
- Option to receive a replacement unit (subject to availability)

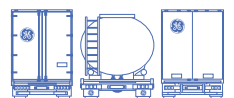

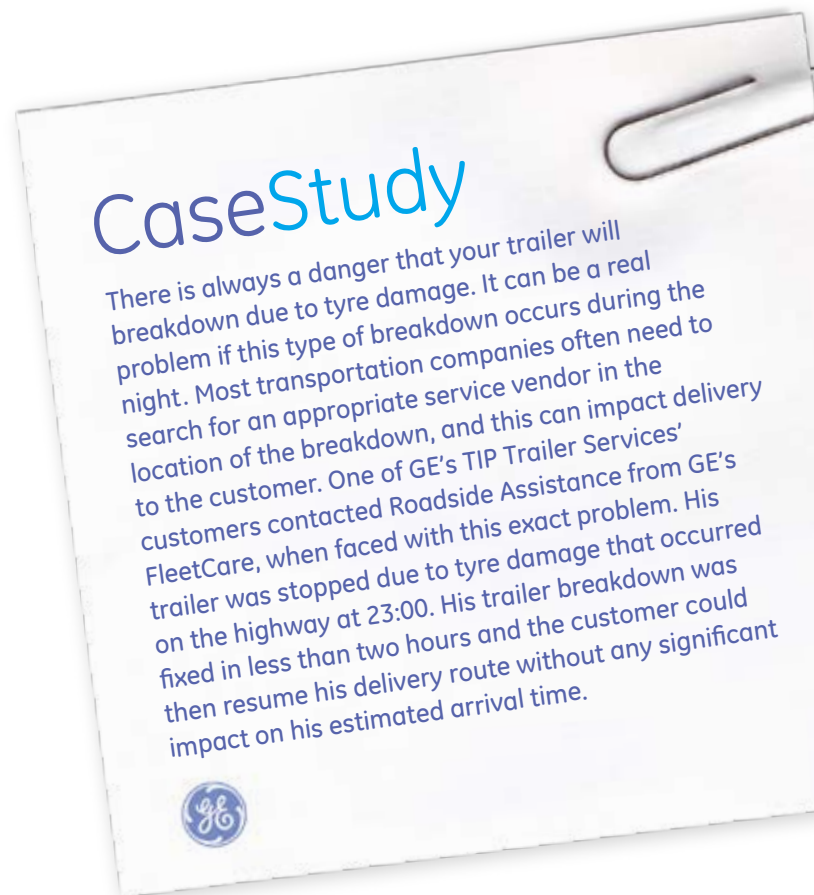

Why our Roadside Assistance is important for you

- Responds quickly to your breakdown problems, 24/7, 365 days a year
- Removes language barriers during cross country trips
- Finds the right service vendor at the right time giving you peace of mind
- Controls costs through a single European partner with approved service points
- Minimizes delays in transporting goods
- Removes the burden of an upfront cash payment
