FleetOptions

What you need, when you need it

Where it all
comes together

GE imagination at work

GE's FleetOptions offers you a wide range of equipment with flexible financing options, from short term rentals to long term leasing. With the largest trailer, tanker, intermodal, truck fleet in Western and Eastern Europe, and its pan-European branch network, GE's TIP Trailer Services gives you more options to meet the demands of your business today and in the future.

Do these concerns sound familiar to you?

- I need to **improve focus** on my core business and maximize returns
- I want to **free up** cash to expand my business
- I need to **increase** my financing options and sourcing power
- I have to **improve** the utilization of my fleet during seasonal and regional fluctuations
- I need to be **more flexible** to respond to my customers needs

This is how GE's FleetOptions can solve your issues

- We offer **flexible** fleet options such as short term rental, leasing and sales
- We can provide a **wide variety** of trailers, tankers, swapbodies, chassis and trucks
- We can help you **respond quicker** to seasonal peaks and changes in geographical demand with our rental options

Leasing

Finance your equipment through a company that knows your business and has value-added leasing solutions.

Rental

Rent from as little as one day up to one year and choose from a range of back-up services.

Sales

Purchase from a large selection of previously owned equipment.

Equipment

Select equipment from an industry leader with one of the largest and most diverse trailer, tanker, intermodal, and truck fleets in Europe.
