# Damage Protection

Giving you the best protection

Damage Protection from GE's FleetProtect covers damage, total loss or theft of leased or rented equipment, up to a maximum of the full replacement value. Recovery of the asset to the nearest repair location is also included. You can select the option that best suits your needs:

- 'With Contribution Amount' which specifies the agreed amount of your contribution in cases of damage or theft, or
- 'Without Contribution Amount' which specifies no contribution in the case of damage.

# What our Damage Protection can offer you

- Protection against accidental damage, fire, theft, or total loss, caused to rented and leased equipment
- Protection starts from as little as one day
- Instant cover during rental period and automatic termination whenever the equipment is returned
- No advance rate payment is required. You only pay for the days you rent the equipment

# Why our Damage Protection is important for you

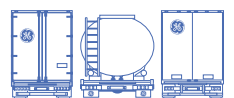

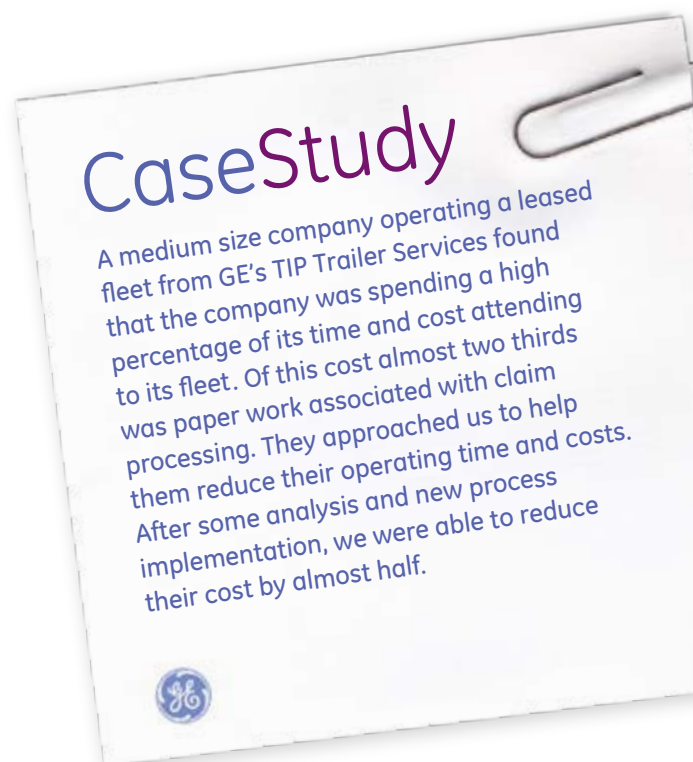

- Convenient and trouble free due to limited paperwork, no adjustor involved in the case of damage, and no need to produce loss history
- Replacement unit during the period of repair (available in selected countries)
- Full replacement value is covered in the case of theft or total loss. No need for further discussions regarding the equipment value
- With the option 'Without Contribution Amount' you avoid having to contribute to damage costs
- Requires no advanced payment for damage repairs. We pay the workshop directly
