TIP Trailer Services

Missing something?

Judgement?

Accidents happen and FleetProtect from GE's TIP Trailer Services can provide you with protection against accidental damage caused to rented or leased equipment. We can recover your asset and provide a replacement vehicle when required (available in selected countries), and ensure your freight is kept on the move.

FleetProtect from GE. Covering all the bases.

Go to www.tip.ge.com or call us on 000 00 00 000

* FleetProtect does not cover Third Party Liability, damages to cargo or any consequential loss.
